Public Contribution: Established 'Ovia Sandhai' First of its kind in Tamil Nadu (11th Jan 2009) at Race Course, Coimbatore.

Criminators: Several Tumbadors thronged the Rose Centre scheme road to appreciate the works put on display at the 'art street' organised as part of the Criminators Visha, which ended the second day on Saturday.

Artist B Pradeep was seen making quick sketches of people. The queue got only bigger as the day progressed. "I can make a sketch within seven minutes," he said.

The art street, known as Sandesh, which was organised by Lalit Kalshechitra, Ravindra College of Fine Arts, saw participation of more than 90 artists from across Tamil Nadu and Andhra Pradesh.

According to Ravindra, director of Lalit Kalshechitra, concept of art street was drawn from Chitra Sandesh in the bazaar where various artists display their artwork. "We want to create a similar platform to promote art and to raise awareness about artists' work," he said.

The city is in a desperate race to clean up the mess, but the cleanliness drive hasn't taken a bite out of the problem. Around 200 students of Sri Ramakrishna College of Arts and Science on Sankarajyoti Road in the city are cleaning the streets at Pappanagar, a slum area and a park on Netaji Park Road, one of the city's main thoroughfares, as part of the Clean India Mission. The initiative was part of the city's bid to become a Smart City.

National Service Scheme
 NSS cadets of the college are also participating in the drive with shovels and gloves, and the tried-to-be plastic. They also went to the door to door to spread awareness about the problem and encourage people to use less plastic.

THANE ART SHOW & SALE

THANE ART SHOW & SALE

Dear Sir / Madam,

We'd like to draw your attention to a terrible tragedy that's been as shattering as an earth quake and as devastating as a tsunami. We're talking of 'Cyclone Thane'.

As you might already be aware, 'Cyclone Thane' took South East Coastal Tamil Nadu by storm in the last week of December 2011, leaving behind an unprecedented trail of untold destruction. It is estimated that the havoc wrought by the storm in Cuddalore, Villupuram, Nagapattinam and Pudukkottai, would be to the tune of Rs. 5000 crores. Experts say that it might take at least 20 years for the residents to limp back to the life they had, before the onset of 'Thane'.

The Government of Tamil Nadu is operating on a war footing to rehabilitate the victims of 'Thane'. Contributions have started pouring in from all corners of the world to the Chief Minister's Relief Fund. Several kind souls have generously donated to aid the process of restoration. In this context, we're glad to point out that our readers have been at the forefront in contributing whatever money they can, to spread hope and happiness.

We, at Vikatan Group, have set in motion several initiatives to raise funds to improve the lives of the affected in the cyclone-hit zones. As part of this drive, we're about to launch the 'Vikatan Thane Art Show' at Lalit Kala Akademi, between March 5 and March 10, 2012.

Curated by Vikatan Charitable Trust (the CSR arm of Vikatan Group - the media powerhouse renowned for 85 years of innovation), and backed by several leading artists, the Art Show, is a unique attempt to rouse the consciousness of the movers and shakers of Tamil Nadu into joining the massive mission to help the 'Thane' victims. Over 200 talented artists have voluntarily contributed their finest paintings, without a moment of hesitation for the show. These paintings will be on display at Lalit Kala Akademi from the 5th of March. The funds from the sale at the works of art will be fully deployed to wipe the tears and bring a smile to the faces shaken by 'Thane'.

We'll be truly privileged if you could come over and actively participate in the Art Show. Your presence can and will make all the difference. Hoping to see you there.

CHAT Director of Lalit Kulkarni's *Barang* tells *metroplus* that every person in the country should be able to have access to the world of Fine Arts

Impress Me. A long time after the founding of the state in the name of Maharashtra, this is the message, with one caveat with a girl. This one caveat, however, points to the state's cultural capital, Mumbai. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

Having given this caveat, a journey to the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

A cultural experience

The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

It was this desire to share the joy of the arts that led to the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

At the end of the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

A MAN OF LETTERS

Being the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

What Mr. Kulkarni is doing in 1993 is a journey to the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

But just this small, but Mr. Kulkarni and his team are doing a journey to the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

Representation

His journey, which is a journey to the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

Art is for everyone. Being the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.

Art is for everyone. Being the state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts. The state's cultural capital, Mumbai, is all about the arts.
